Fashionably Unpretentious but Cool as Can be Best Describes Amenda Tate's Handcrafted Sculptural Jewelry. FASHIONTRIBES FASHION & ACCESSORIES BLOG

Without being fussy or overdone, these versatile designs have a timeless appeal and playful demeanor," explains Colorado-based jewelry designer & metalsmith **Amenda Tate** about her handmade creations - such as gorgeous brushed silver cuffs that are individually heat-riveted with carnelians for a unique "beaded" look. "I wanted to put together a look that is fashionable without being pretentious or over-the-top."
